Payment

Basic Sitting Fee is \$65.00 and includes 30 minutes of photography time.
Advanced Sitting Fee is \$130.00 and includes 90 minutes of photography time.

Both fees are up to 8 people. After 8 people there is an additional \$10.00 / person fee.

Payment for the sitting fee is required before we begin the portrait session. We take credit, check or cash. If paying with cash please have exact change. Prints or digital negatives are ordered online from the comfort of your own home after the photo shoot.

Pets

We love to photograph pets! However, we do ask that all pets be brought on a leash or in crates, and most importantly, that they are clean. That way the Clothes Pony mascot, Dandelion the rabbit, has nothing to fear and our studio stays smelling sweet!

What to wear?

- You can pretty much wear anything that's comfortable or that expresses "you" the best. However, a family that has a theme tying them together (i.e. jeans and white t-shirt, sports sweats, school colors) will likely have a more powerful picture. You don't have to worry about avoiding certain colors, just make sure they complement you.
- There is a changing room available if you would like to change before or after your appointment.
- Some people say, not to wear bold prints, (poka-dots, big stripes), or "loud" jewelry. Why? It can distract the eye, however if bold prints, or loud jewelry are you – bring it (we welcome the challenge) and we'll make it work. After all, this photo shoot is for you and to express you and your tastes.

What to expect?

- You'll come in, fill out a little paperwork, and we'll start shooting.
- You can choose from a black or white backdrop.
- For a basic studio sitting you can expect approximately 20-30 min of shooting (1-2 hours for advanced). We'll do some traditional poses and some "fun" poses.
- If you have props at home you'd like to use bring them in; we are happy to accommodate.
- After the shoot I'll take 5-10 min to explain how the ordering process works and the type of prints available. You will also have the option of purchasing your digital negatives.
- All ordering takes place at home. If you do not have internet access we will schedule an appointment to order at the studio.
